

WESTERNBOOTSCOPE: "COWBOY SOLES" ONE OF A KIND PARLORSCOPE.

Part of a limited edition series unveiled at the Western themed BKS Expo 2019.

Made from a pair of vintage leather cowboy boots.
Each boot has a different 3 point trapeziod mirror system inside.

These are attached with spur stands (complete with spinning rowels!) onto copper pipe and attached to iron flanges.

The flanges can be screwed into the 20 inch diameter wooden platform or attached via the magnets beneath to a metal panel or a rusty saw blade.

The turntable can be filled with Western trinkets, bullet shells & roses (guns & roses!) a cactus centerpiece or add trinkets of your own.

A COWBOY SOLE: HAND HELD TALEIDOSCOPES.

Only 8 pairs made! and 5 pairs remaining!

Hand held real leather cowboy boots: Made as pairs but can be sold separately.

Each boot has a different 3 point trapeziod mirror system inside.

These come with spur stands (complete with spinning rowels!)

wirewrapped onto copper pipe and attached to iron flanges.

The flanges can be screwed down or attached via the magnets beneath to a metal panel or a rusty saw blade.
